Doman Representing GSC at the Birthplace of Country Music

Toni Doman '16 is living out her dream at the Birthplace of Country Music in Bristol, Tennessee/Virginia.

She graduated from GSC with a bachelor's degree in traditional bluegrass music and an associate's degree in business. She works within the three branches at the Birthplace of Country Music including The Birthplace of Country Music Museum, Bristol Rhythm and Roots Reunion Music Festival, and Radio Bristol. Doman's roles include Grants Coordinator, a Museum Frontline Associate, and the Radio Bristol Production Assistant.

"Being at the Birthplace of Country Music is directly aligned with my academic background and personal interests," said Doman. "During my time as a student at GSC, I was able to be immersed in traditional music, and I intend to make it a personal goal to promote the region positively. I'm also currently part of a musical duo, [Virginia West](#) - we perform locally around the Tri-Cities region specializing in Country
