GSC Homecoming 2019

Alumni and Friends are invited back to campus for GSC's annual Homecoming celebration during the weekend of October 18-20. This year's theme is "Game On, Glenville" and is all about games – board games, video games, action games, and more. GSC student organizations will base their floats, banners, and other activities around this theme.

This year's special honor group that will be returning to campus is our teacher education alumni. GSC has a long and proud history of training teachers dating back to 1872. Glenville State is nationally accredited and, with its updated facilities and dedicated faculty, is still home to the premier teacher education program in the region.

As a thank you for all that our teacher education graduates do for their alma mater and the students of West Virginia and beyond, all teacher education graduates are invited back to campus to be recognized in the Homecoming Parade, at a special pregame tailgate, and during the football game.

All alumni and friends are encouraged to make plans to come back to Glenville for this annual celebration. Returning teachers can RSVP by [clicking here](#). For questions or more information about Homecoming, contact GSC's Alumni Office by [clicking here](#) or calling (304) 462-6116.

University of Iowa and has post-graduate hours from The Catholic University of America.

Gary served as a pianist with the Maryland Symphony Orchestra, was the President of the West Virginia Music Teachers Association (WVMTA) from 2013-2015, and was recognized as the WVMTA Distinguished Leader of the Year in 2010.

A native of Upper Tract, West Virginia, he now resides in Martinsburg, West Virginia with his wife Radonna (Richman) '86; they have two sons Phillip and Gregory. In his spare time, he enjoys trout fishing and Native American artifacts.

We are pleased to feature Gary in this week's Alumni Spotlight and proud to call him an alumnus of Glenville State College.
