

GSC Celebrates 149 Years

Glenville State College edged another year closer to its sesquicentennial celebration on Friday, February 19, 2021 as the institution celebrated 149 years.

In February 1872, the passage of West Virginia Senate Bill 52 allowed for a branch of the state normal school to be established at Glenville. The Glenville Branch of the West Virginia State Normal School was originally founded in order to serve the educational needs of West Virginia citizens by preparing teachers to serve in classrooms across the state.

Throughout the years, Glenville State has expanded its mission and now prepares students for careers in teaching, business, land resources, criminal justice, music and art, science and mathematics, the social sciences, and more.

A loyal base of alumni spanning the state, nation, and globe proudly call themselves Pioneers.

"We are ecstatic to be celebrating 149 years of Glenville State College," said President Dr. Mark Manchin. "This institution means so much, not only to me, but to its student body, faculty and staff, alumni, and the surrounding Gilmer County community. Today we look back and remember our storied past while also imagining an even brighter future with the renewed optimism that milestones like this bring to mind."

Faculty, staff, and students also enjoyed cupcakes and a display of historic documents and photos from the GSC Archives as part of the day's celebration.

The history exhibit, in part, included an excerpt from an 1873 correspondence to the *Weston Democrat*.

The writer said, *"No place on earth could have been found more suitable for the establishment of the State Normal School than Glenville. The place is retired, healthy, and possesses every qualification requisite for a place of study and thought. The inhabitants are civil, moral, refined, religious, and generous to a fault. The landscape around Glenville begs description: the beautiful verdant hills, with ragged rocks jutting out in some places as though it was the hand-work of some skillful artist, the innumerable birds various plumage warbling forth their many songs; gurgling brooks, whose ever flowing streams are babbling over the varieties of rock which form their beds; the roar of the mighty waters of the Little Kanawha River as it tumbles over the massive dam which obstructs its passage; together with the sweet music which is discoursed by the Glenville Band on a bright, moonlight night..."*

With only slight updates, what was written those many years ago could be written again in 2021. Glenville State College has never wavered from its mission to serve the people of central West Virginia. The Lighthouse on the Hill remains a beacon for those seeking to continue their education, to better themselves and their families, and to contribute to the greater good.

Annual Day of Giving Campaign Raises Over \$250,000

Thanks to the generous support of the Pioneer community, Glenville State College raised over \$250,000 from nearly 450 donors during the 2021 Day of Giving celebration on

Alumni Spotlight

Daniel Reid '20 is currently serving as a police officer with the Washington D.C. Metropolitan Police Department.

He graduated from the Metropolitan Police Department Academy in December 2020. When asked about his work, he said, "I know whenever I am patrolling in Washington D.C., I can revert back to the education and lessons that I have learned from the GSC Criminal Justice Department."

While a student at GSC, he was a member of the Student Government Association, President of the Sigma Omega Beta fraternity, member of the Greek Council, videographer and commentator for Pioneer Media, and the participated in the international program.

As part of the international program, he studied Spanish abroad in Peru, conducted research in Panama, and traveled to Iceland. Along with traveling abroad, he worked with the International Programs Office to increase awareness of the opportunities available to GSC students and recruit students for the program.

Founders Day, Friday, February 19, making it the largest giving day in the history of the College.

Donations supported 38 projects across campus, including departmental and athletic projects, scholarships, alumni and student projects, the Pioneer Fund, and the President's Circle. Specific projects included Praxis grants for the Department of Education, art supplies and marching band uniforms for the Department of Fine Arts, a fleet vehicle for the Department of Land Resources, travel and equipment support for athletic teams, funding for GSC's Study Abroad Program, and many more.

During this year's Day of Giving, students, faculty, and staff came together for a celebration in the Mollohan Campus Community Center for an opportunity to sign the Day of Giving banner, a thank you card writing station, and refreshments. Throughout the week, GSC faculty and staff participated in a "Dough for Donuts" campaign, bringing in 50 employee gifts.

"On behalf of the entire GSC Advancement Team, I want to send our sincerest thank you to our generous Pioneer Family," said Director of Fundraising, Ashley Knight. "We enjoyed reading each of your notes that came by mail, seeing your photos from the photo challenge, catching up with you on the phone, and celebrating GSC's 149th birthday in true Pioneer fashion! Our entire campus community is better because of each of you. Every employee, student, alumni, business partner, parent, and friend that participated, volunteered, and shared the campaign helped us make this the most successful Day of Giving in the College's history. Again, thank you for stepping up to the challenge and ensuring the brightest future for our students and our institution. Go Pioneers!"

If you would like to make a monetary contribution to GSC, you can do so by [clicking here](#) or mailing your donation to GSC Foundation, 200 High Street, Glenville, WV 26351. For questions or to speak with the GSC Advancement Team, email [Ashley Knight](#) or [David Hutchison](#).

In December 2019, he earned his Bachelor of Science Degree in Criminal Justice with an emphasis in Field Forensics.

Daniel currently resides in Washington D.C. and when asked about his time at GSC he said, "Glennville State College is my home away from home. GSC provided me with an abundance of opportunities to help me excel in life. From meeting and establishing a connection with the students, faculty, staff, and the community to meeting lifelong friends from the activities that were offered.

We are proud to feature Daniel in this week's Alumni Spotlight and proud to call him an alumnus of Glennville State College.

Pioneer Baseball Team Helps with COVID-19 Vaccinations

Members of the GSC Pioneer Baseball Team have recently been pitching in with ongoing efforts to distribute COVID-19 vaccinations in Gilmer County.

The local vaccine clinics have been taking place at the Sue Morris Sports Complex. The Complex is also the facility used by the Pioneers for their practices and competitions.

"I am very proud of my guys. I ask a lot of them and they show up every time. The weather has been cold for the clinics but they stick with it because they know how important this is for our community and state," said Head Coach Jimmy Mullins.

"We are blessed to have great young men here in our program; I love being with them every day," he added.

Stay up-to-date with Glennville State Athletics through live video feeds, stats, schedules, and more all available at gscpioneers.com

View Pioneer Progress Magazines Online

By now, many Glenville State College Alumni & Friends have probably received the fall 2020 edition of the GSC Pioneer Progress Magazine. If you haven't received a copy in the mail, you can view the magazine, along with earlier editions of the Pioneer Progress, on the Glenville State College Alumni & Friends website by [clicking here](#).

West Virginia Senate Recognizes GSC

In recognition of the 2021 anniversary, the West Virginia Senate adopted a resolution on Friday, February 19 that recognized Glenville State College's 149th year. Senators David Stover '77 (R-9th District), Patricia Rucker (R-16th District), and Mike Romano (D-12th District) all took the opportunity to speak in support of the resolution and of Glenville State College. GSC's Vice President for Administration, Rita Hedrick-Helmick, was on hand at the capitol to accept the resolution.

Thank You!

"Our Day of Giving celebration on Founders Day showed exactly what makes Glenville State College so special. Our alumni and friends, faculty, staff, and students all came together to celebrate our great college while greatly surpassing our fundraising goals for much-needed resources. We are so grateful for everyone who helped make this day possible and appreciate each and every gift," said Vice President for College Advancement and Governmental Affairs, David Hutchison.
