Welcoming and opening remarks

- President Maureen Gildein thanks Conner and the Foundation office for their work, it felt like a homecoming when she attended. A lot of engagement throughout the day. We were able to recognize education graduates and almost 200 that attended. It was a great idea by Ralph Holder a few years ago. We need to help Conner and the foundation office more!
- Gary Gillespe enjoyed it.
- David Hutchison- A lot of planning and Conner began those meetings with students back in May. Only complaint was wine at Lambert's winery was not available. Greg Smith was able to get a few pictures with a drone to use for alumni and marketing efforts in the future. Feedback is important and appreciated.
- Bill Deel, it was a very memorable homecoming and thoroughly enjoyed it. Friday night event was well attended. Great job, Conner. Potato soup was great!
- Martha Deel- What if we did different years to showcase instead it was 5,10, or 15 years?
- Maureen added that it's how we stay in touch with each other, look at larger groups that would help the ROI.
- Dave, Theta Zeta travels well!
- Dennis, it was excellent!
- Robin, RVs would be a great addition to tailgating, Can we look at that for next year? Dave could look into it for the future.

Dave Hutchison

- Apologize for Dr. Nelson not being here due to the open house and literacy fair.

- Call Star program just cleared 20,000 which is an improvement from last year
- Band uniforms is looking to get revitalized
- Hardships account is continuing get donations for that
- Donation \$20,000 for student development
- PAC donation is looking to improve and 1872 is passing the mark for progress
- Teachers Ed major focus on campus, homegrown initiative is trying hard to open to all 55 counties, looking to get more funding.
- Dual Credit in HS in WV. Partnerships have been increasing. Pathways can graduate with associates with Teachers ED. Could be a game changer!
- Looking to revitalize the whole online concept
- Focusing on helping everybody and starting scholarships
 - Martha Deel- Who teaches the classes in HS? Depending on just college professors?
 - Dave, it depends on location or whose qualified in the school system. Adjunct professors can be a helpful tool.
 - Gary - Are you starting scholarships for Sypolt? Forestry department continues to grow?
 - Dave, yes but they are not quite at the point of being endowed.

Review of Homecoming

- Great team effort, student organization, updated a lot of contact info.
- Thank you to education department - Target Message
- Soon as we have the football schedule
 - Robin, comment about the schedule about Hall of Fame.

- Dave, I think it was 3 or 4 years ago that it was the same week as homecoming. I will bring it forward again.

Old Business

Conner Ferguson

- Alumni Directory, Maureen and Conner had a meeting with the company from the past. Talking with IT department to be housed online. They didn't feel safe or comfortable with the data.
- Hardship update- Already completed
- House- Dave, Looking to update the columns and rebuild the porch, quote was nearly 30,000. They are probably right that we need to replace that part of the porch. Look at a prioritized list of what's important. Looking to give a better report at the next meeting.
 - Doug Patterson, looking to help Dave
 - Robin, could we have a house committee meeting?
 - Yes, Maureen will send an email out to see what works with everybody.
 - Dave- University status, offer master level program would be brought back to the board of governors. Pros and Cons.

New Business

Conner

- Winter Homecoming- Debating dates with different offices
- Nominations for Alumni Awards - Banquet is April 25th
 - Robin, Can we piggy back off the Winter Homecoming?

Good for the Order

- Gary - Good job, for license plate, was able to get a Christmas gift
- Alumni awards are due December 31st
- Gary - I'm opposed to having elections during the April meeting
 - Conner- looking to include those meetings
- Maureen- Updates for committees.
