HIGH SCHOOL HONORS PROGRAM

GLENVILLE STATE UNIVERSITY

Mission

The Glensville State University High School Honors Program aims to recognize students who have demonstrated academic excellence throughout their high school career. By acknowledging the achievements of these students, the GSU High School Honors Program helps its students distinguish themselves as they apply for and enter college.

Program Admission

Qualified high school students must be a junior or senior currently enrolled in the GSU Dual Credit/Enrollment Program with a high school overall cumulative GPA of 3.7 or higher.

Scan to complete the High School Honors Program application form

Admission Process

1. Complete the GSU High School Honors Program online application.
2. Write a 400 word essay on the topic provided via the GSU High School Honors Program online application.
3. Provide a list of extracurricular/ community activities that relate to leadership, service, and/or diversity.
4. Submit a recommendation letter from a school official that speaks to the applicant's academic excellence, leadership, and community service.

Program Standards

- High School Honors Program students must have earned a 3.5 cumulative GPA in all dual credit/ enrollment courses at the end of each academic year.
- High School Honors Program students may receive a one-semester probation if their GPA declines below a 3.5.
- Failure to regain a 3.5 cumulative GPA at the end of the probationary period may result in removal from the Program.
