

## ACADEMIC DEPARTMENTS

### DEPARTMENT OF BUSINESS

**Dr. Dwight W. Heaster, Department Chair**

**Professor:** G. Arbogast

**Associate Professors:** K. Cain, D. Heaster, C. McKinney, K. Queen, M. Sarver

**Lecturers:** K. Mullins, L. Ward

The Department of Business provides quality educational opportunities for students who are preparing for challenging careers in dynamic business environments and/or pursuing graduate degrees. The Department faculty are committed to educating students to be thoughtful, productive, engaged, and responsible citizens. The Department of Business maintains excellence in academic programs by interacting with employers and recent graduates who regularly provide advice on the marketability of our degrees in an information-processing and global economy.

The Department offers both two-year and four-year degree programs that emphasize life-long learning and personal and professional development and integrate modern technology and current software throughout each program. In addition to the course work, business majors are encouraged to participate in student organizations and co-curricular activities that provide opportunities for service learning, the development of human relations skills, and the application of leadership skills. Opportunities include student membership in FBLA Collegiate (a national Business organization) and the West Virginia society of Certified Public Accountants, as well as access to state-wide entrepreneurship competitions, a collaborative learning opportunity with the Department of Criminal Justice through the Open Source Information Exchange (OSIX) program, and exposure to prominent professionals through an impressive Business Leadership Series.

The Business faculty bring a wide variety of academic and professional experience to the classroom and regularly participate in professional development activities to keep them abreast of current developments in their field of expertise. Class sizes permit ready access to faculty and academic advisors, and all business faculty and staff encourage students and advisees to visit their offices frequently throughout the semester. The Department is dedicated to providing a solid foundation for the business leaders of tomorrow.

For additional information about the Department of Business, its programs, faculty, and organizations call (304) 462-6250.

**Degree Programs**

**Bachelor of Science in Business Administration with majors in:**

- Accounting
- Computer and Information Systems
- Integrated Marketing
- Management
- Sport Management

**Associate of Science:**

- Business

**Minors:**

- Accounting
- Business (for non-Business majors)
- Computer and Information Systems
- Integrated Marketing
- Management
- Nonprofit Leadership and Management

Glenville State University has partnered with Marshall University for a Master of Science in Accountancy. Information regarding this partnership is listed in the Graduate Program Partnership section of the catalog.

## Department of Business 115

### BACHELOR OF SCIENCE BUSINESS ADMINISTRATION ACCOUNTING

**GSU 100      The First Year Experience      0 hours**

All degree seeking students are required to take GSU 100 during their first semester.

**General Education Requirements      30 hours**

Students must complete ECON 201 and MATH 115 as part of the General Education requirements.

**Business Administration Core      39 hours**

ACCT 231	Principles of Accounting I	3
ACCT 232	Principles of Accounting II	3

STAT 361	Introduction to Statistical Analysis	3

**General Electives      6 hours**

**Total minimum hours required for degree      120 hours**

**GATEWAY ASSESSMENT – BUSN 100 & BUSN 293**

**CAPSTONE ASSESSMENT – BUSN 493**

### IMPORTANT: CPA EXAM AND CERTIFICATION INFORMATION

The West Virginia Board of Accountancy ([www.wvboacc.org](http://www.wvboacc.org)) is the regulatory board charged with the administration and enforcement of the provisions of the West Virginia Board of Accountancy law, including oversight of the professional licensing of Certified Public Accountants. In general, the Board shall issue an initial certificate to an applicant of good moral character who meets the *Education, Examination and Experience* requirements as specified on the website listed above. In brief, candidates must ultimately complete 150 hours of specified *Education*, pass the Uniform CPA *Examination* and accumulate at least one year of *Experience* to become a CPA.

A West Virginia exam applicant may sit for the CPA examination with a baccalaureate degree and the completion of specific courses at the upper-division baccalaureate and/or graduate levels at an accredited college or university. Minimum requirements include:

- 30 semester hours in Accounting (excluding Principles of Accounting, as specified by the West Virginia State Board of Accountancy),
- 3 semester hours in Business Law and
- 27 semester hours in Business courses (other than accounting and business law courses, as specified by the West Virginia State Board of Accountancy).
- 3 semester hours in Ethics which may be counted as part of the Accounting or Business courses

A complete listing of specific criteria may be obtained from the West Virginia Board of Accountancy or the GSU Accounting faculty. Completion of the prescribed curriculum for Accounting majors at GSU fulfills the minimum specific course requirements, except only 27 hours in Accounting are required (excluding Principles of Accounting). It is recommended that majors interested in becoming a CPA consult with their Accounting advisor and enroll in ACCT 444 to complete that requirement.

Remember that CPA candidates must ultimately complete 150 semester hours of postsecondary education and receive a baccalaureate or higher degree from a college or university accredited by a regional accreditation board recognized by the West Virginia State Board of Accountancy. If an accounting major is interested in eventually becoming a CPA, the student must earn additional hours past those 120 hours required to obtain a baccalaureate accounting degree at Glenville State University. The Department of Business recommends three options for interested students to consider in fulfilling the West Virginia State Board of Accountancy 150 hour requirement:

- The student may elect a second major and/or select a minor; this option could also include completion of an Associate Degree. It is imperative that a student who is interested in this option consult with the advisor in the sophomore year to properly plan a course of study incorporating these additional hours.
- The student may elect not to declare an additional major/minor but take advisor-approved electives in several areas to complete the required hours.
- The student may elect to complete the 120 hour baccalaureate accounting program at Glenville State and then pursue a graduate degree at another institution.

Students are encouraged to talk with one of the Accounting faculty about this information and options available.
