Call to order @ 9:13 AM by Tom Ratliff

Updates on Current Campus Projects:

- A Pre-Bid was held for the construction of the Clark Hall Roof on 3-9-23.
- All way finding signs but 1 have been completed throughout campus.
- Signage at Pioneer Village and the Football Field have been updated to reflect the University status.
- A quote for the Sign at the South Entrance is being updated for future purchase. The sign will match the North Entrance sign.
- Boilers for the Science Hall and Pickens Hall are still delayed.
- Installation of the boiler in the Administration Building has been completed.
- Electronic Lock quotes have been put out for best possible cost.
- Installation of Narcan units has been completed throughout campus.
- A New HuddleCam has been installed in the Waco Center.

Discussion of Unused Facilities and Future use of those Facilities:

- The University is in the process of trying to find a contractor to complete the Clark Hall renovations
- The walkthrough for the build out for Health Sciences has been completed at the Waco Center and Physical Education Building.
- Electrical work has resumed on the Star Bucks courtyard.
- Work with the Electric Company for future power outages to minimize loss is still ongoing.

Discussion of Safety Concerns:

- There has been very little freezing or snow related concerns.
- There have been very few Fire Alarm problems.
- Vandal resistant buttons are being considered for the elevators.

BIT Discussion:

- A schedule of BIT meetings is soon to be released.

Other Discussions, Updates, and Concerns:

- The Emergency Operations Plan is under continuous review
