Old Business

Gen Ed Learning Outcomes

- The Gen Ed Committee has not voted on the most recent changes to the learning outcomes, so the Curriculum Committee cannot move forward

Clarification of Math Vote

- When the math changes were voted on at the last meeting, it wasn't clear whether the vote was for the revised files or the whole packet of changes to math
- David recently sent changes for the Math Education program for the next meeting. A new vote on the full packet including these new changes will be made at a later meeting

New Business

IDS

- Mari clarified that IDS concentrations must be in a program that we currently offer

Display of Names in Catalog

- Chairs and Deans discussed the display of faculty names in the catalogs
- Mari provided a document from the Chairs/Deans meeting
- All details will still be listed in the back of the catalog
- Dr./Mr./Mrs. was changed to just list the degree on the department and program (such as IDS, Honors) pages
- These changes will go into both the undergraduate and graduate catalogs
- Will need to add Mike Vozniak once Amanda confirms his preference on how his name is listed
- Kevin motioned to approve, pending Vozniak's addition. Kaitlin seconded. Motion passed

Adjournment: Adam adjourned the meeting at 12:45 p.m.
